v.  
The State of South Carolina  
Respondent.

Appellant Case No. 2019-001313  
Motion For Enlargement of Time  
to File

**RECEIVED**

Pro Se Brief!

NOV 18 2020

SC Court of Appeals

The above Appellant Respectfully move upon the Honorable Court with a motion for an Enlargement of time to File an Meritorious Prose Brief where appointed counsel has filed an "Anders Brief" to be relieved as counsel citing Appellant Case does not have any Merit to it. Appellant received notice on August 13, 2020 from Clerk of Court and giving him 45 days to submit a Prose Brief. However Appellant did file a request for extension of time September, 2020 Due to extraordinary circumstances. The Honorable Court Granted the extension October, 2020 and also Appellant filed for another extension which was granted to Nov. 20. However Extenuating Circumstances listed below the appellant once again respectfully request a third enlargement of time to perpetuate and Perfect this Meritorious Brief Due to circumstances as follows:

- 1) The Covid-19 Pandemic has entered SC Dept of Corrections and caused many inmates and officers to become ill where As Dorm. has been placed on lockdown. There's no way to access mailroom to get copies made up of Briefs.
- 2) BRCI was on Quarantine and SC National Guard was brought in to monitor the symptoms.

For the reasons above the Appellant Respectfully Request (30) More days of Enlargement of time to get Prose Brief Copied. The Request is made in good faith and not intended to Delay but Necessity Due to the Extraordinary Circumstances.

Wherefore, the Appellant Prays this Court will grant his motion for an Enlargement for (30) days Extension of time.

Respectfully Submitted,
