Hey Stormy!

We received this question from a paralegal in one of Sierra's cases.

Hello,

I sent the email below to Sierra Ritchie and received a response that she is out of the office today and tomorrow.

I would appreciate it if someone in your office could read my email and respond as soon as possible.

Thanks.

I wanted to clarify with you the next step in the appeals process.

30 days after we file the Reply Brief and Designation of Matter, we are to serve the record on appeal to Respondents Counsel, correct?

We do not file the record on appeal with your office at that time, correct?

Then 20 days after we serve the record on appeal, we serve and file our final brief and that is when we file the record on appeal with your office, correct?

Do we send you the record on appeal through a dropbox link or do we email it to you as the One Drive has not been correctly working.

I would appreciate any assistance you can provide.
