Tamika Howard ✓ Appellant

Motion to Expedite Appeal
Tamika Howard would like to expedite
the appeals process. I have waited for
months and been extremely patient. I
have a family and bills to pay. I
also need to answer to my landlord
why I haven't received benefits as of yet.
I made one mistake mixing up my
appeals on DEW website and tried getting
help several times I repeatedly made
all parties involved that I did not
quit. I was placed on FMLA
due to COVID 19

RECEIVED

Nov 19 2020

SC Court of Appeals

I made several attempts to keep my employment for the sake of my family and was denied Light Duty. My employer Uop is not responding to any of my arguments. It has been overwhelming and I feel that if they participated on the July 27, 2020 hearing with the Administrative hearing officer that the outcome would have been different. I appreciate all the opportunities for my case to be heard and included argument notes and emails sent to all parties involved.

Motion to expedite was also emailed to Deborah Brooks Burden at Polkman@seale.net and Sandra Gross DeW at SDew@legal@deu.se.gov. Uop do not have and available email for the Columbus location that I am aware of.
