*Case Caption: Philenza Pritchett v. State of South Carolina*

*Filed Date: September 18, 2020*

*Lower Case No.: 2018-CP-07-0237*

Mr. Shearouse,

With the current deadline, the transcript in the above-referenced case is due today November 30, 2020. Because my client has not only been prevented from having mail sent to him in a timely manner, but also due to the suspension of in-person visits by the South Carolina Department of Corrections due to COVID-19, Mr. Pritchett has still not been able to sign his affidavit of indigency required by the South Carolina Commission on Indigent Defense. Accordingly, I respectfully request another thirty ("30") day extension of this deadline.

I have copied Della White with the South Carolina Commission on Indigent Defense on this correspondence, as well as opposing counsel.

Please let me know immediately should you have any questions or concerns.

With kind regards, I remain.

Respectfully,  
CLEKIS LAW FIRM, P.A.
