Subject: In the Matter of the Care and Treatment of Craig A Carroll Appellate Case No. 2020-000697

The Initial Brief of Respondent and Designation of Matter are due to be filed and served November 30, 2020. Respondent requests a first 30-day extension in which to file and serve these documents, which is not made for the purpose of delay, but due to a heavy workload. Counsel has worked on the Initial Brief and Designation of Matter and assures the Court completion of the brief is a high priority. By copy of this email, I am advising counsel for the Appellant, James Falk, Esquire, of this extension request.
