IF the constitution were written for equal human rights, but not given the opportunity to present evidence at trial in dealing with my situation relating to my case, well what do you call that, because all of my evidence was not presented at trial, it was stage and I shouldn't have to spend the rest of my life in prison for this, especially of a prior conviction that got dismiss from a preliminary hearing to where I got out of jail on, not just that but to rely on a Direct indictment that the prosecutor made up and improperly convicted me on the prior conviction without any new evidence presented or the fact that I slept in the house 2 and a half weeks before this incident took place come on Daniel E. Shearouse this was AN abandon ~~house~~ house, nothing was stolen, this is not right, nobody got hurt in my case or ~~any~~ any weapons involve in any of the 2 prior conviction they use to enhance this charge on, and all my issues were not presented at the PCR hearing, the prosecutors and my attorney did every thing they could possibly can to get ~~me a fair trial~~ me railroaded, I want to go home, then people I just mention took advantage of me because I didn't know the Law and Chief Justice Beatty filed a complaint against these same prosecutor's of the 9th Circuit, I have copy's of these newspaper article, I just want to go home and live the rest of my life I dont want any problems I'm not a bad person, I just got caught up on using drugs

line 14, 15, 16 it clearly states the state moved to dismiss the due process issue and p the prosecutor misconduct issue I'm not sure if those will be pursued at trial; however, I just wanted to state that for the record thats illegal AND thats what

Mr. Chief Justice Beatty is talking about in his complaint, the fact that they do whatever they can get away with and he was going to take their license I mean ~~the~~ ~~their~~ their Bar license from these prosecutor's, my trial Lawyer Wesley Lockhair III lost his Bar license for admitting to using cocaine from all the way from Jan. 13, 2013, I mean ^{he} got fired, my case was the first example in dealing with his reason for losing his license, my case still haven't got overturn yet come on MAN, I'm not getting treated fairly, enough is enough, I can't lay down and constantly get punish, I'm going to make this my last sentence on this letter in dealing with my situation in going on with my health, well I got a tumor on my spinal cord and on my forehead AND I'm not getting any ~~re~~ medical attention or help, I need to get out of prison because they are not doing anything for me, I want to help myself Daniel this tumor on my back is 7inch wide and long, thats why I'm fighting even harder because my attorney new about this also but did nothing for me its not right, AND I'm going to press the issue very soon even if I got to go to the ~~prison~~ **LEGAL MAIL**
