Good Morning,

Please find attached herein two (2) Notices of Appeal for two separate but related cases with the last page of each being the Certificate of Service

Please also find attached herein two (2) Motions for Leave... for the same two separate but related cases, with the last page of each being the Certificate of Service

These documents were mailed first class prepaid to the Respondent, along with copies of the two (2) Notices of Appeal sent to the lower court,

I was unable to find financial forms to prove our financial situation prohibits payment of court fees -- please advise on this point.

Please notify me if there are any deficiencies in these filings - we are currently pro se as we search for counsel.

Respectfully,
Frances Scott and Galen Amerson
