

I feel the Sentence was Unfair + Unjust, May 2018
a warrant was put out for my arrest without any witnesses,
evidence, or weapon. they treated the case as a DU Crime, I
was in NO Relationship with her "the victim" she was a prostitute
& has a criminal Record herself & I never met with her
family nor have I been to any holiday or any family events,
No one in my family has met her family, we weren't in a
Relationship I'm married with 2 children. the case had many
errors & mistakes made by the solicitor, when my family
attempted to get me a lawyer the DA said they had 3 eye-
witnesses during court they stated they had no witnesses
at all, they only went by my previous behavior. When in
court the judge said herself that she could not accept
the plea because I said that I didn't know who had was
on the trigger, but she still went on with the plea after
she said she couldn't. I am writing this appeal to
override my current sentence due to inconsistency of the
case this should have been a accidental death because
we were both struggling for the gun and the gun went off.
