Judge Lockemy's order stated that the 2nd petition and the reviewing of the transcripts from the PCR be completed within 30 days of his order which was MAY 22, 2020. basically around the 22nd of June. The last letter I recieved from Ms. Hackett was dated sep 3, 2020 and at that time she had not prepared the ^{2nd} petition for the court ?? she also stated that she was going to request an extension of time ?? I need to see copies of everything that she has concerning / pertainig to my case. I am entitled to this request ? being that she is representing me aren't I ? Will you please tell me the status of my case? I've been in here for 6 yrs for nothing and I would hate to ^{not} be with my family for another X-mas.

I'm very innocent and just want to go home. Please look into my situation at "God speed"

Thank you!!!
