

The South Carolina Court of Appeals

Midlands Math and Business Academy Charter School,
Appellant,

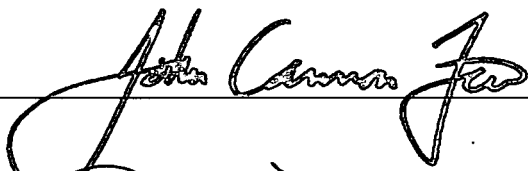

v.

Richland County School District One Board of
Commissioners, Respondent.

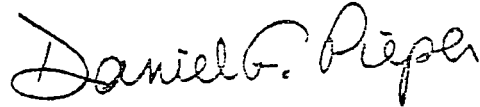

Appellate Case No. 2012-208467

ORDER DENYING PETITION FOR SUPERSEDEAS

In a decision dated March 6, 2013, this Court ruled that the respondent was required to revoke the appellant's charter. The Court has carefully considered the appellant's petition for rehearing of that decision, and has found no basis for granting a rehearing. After carefully considering the appellant's petition for supersedeas, the Court finds no basis for granting the petition. Therefore, the appellant's petition for supersedeas is denied.
