MEMORANDUM IN SUPPORT OF
JOINT MOTION FOR EXTENSION OF TIME
TO FILE INITIAL APPELLANTS' BRIEFS

The parties jointly move for an extension of time of thirty (30) days within which to file their respective initial briefs and designations of record, pursuant to Rule 263(b), SCACR, which allows the extension of time limits to perform most required acts by the Court. The parties to this cross appeal seek an extension of thirty (30) days within which to file their initial briefs and designations of record, making them due January 8, 2021. Initial Briefs are due, unless extended, on December 9, 2020.

This motion is made pursuant to the guidelines of *Wade v. Gore*, 154 S.C. 262, 151 S.E. 479 (1930). This request is made after obtaining the consent of counsel for both parties to this appeal and prior to the filing deadline.

The grounds for this motion are those often heard from attorneys, "the press of business."

In addition, counsel for Appellant-Respondent has faced some personal distractions in the form of the extended illness and death of a family member and a positive Covid 19 test of his wife. Both counsel respectfully submit that identical schedules on both appeals will be beneficial to the Court.
