Clerk, South Carolina Court of Appeals

RE: State v. Matthew Frazier  
Appellate Case No. 2011-193426

Dear Ms. Kitchings:

I received notice that this case might be scheduled for argument during the May 2013 term. Yesterday, I learned that I will be attending the National Attorney General Training and Research Institute Appellate Practice Conference in Washington, D.C. from May 12, 2013 until May 14, 2013. I wanted to advise this Court of my conflict for those days and request that this Court not schedule argument on the days I will be in Washington, D.C.

Sincerely,

Julie Kate Keeney  
Assistant Attorney General  
Bar No. 100145
