Justin,

I was trying to help move the case along. Also, the last time your office spoke to me about the Record, there were no new items you were requesting to add to it. Since you are indicating that you may have some amended designations to include with your revised Initial Response Brief, I can withdraw the Record that we shared on 12/11/2020. I will get my paralegal to follow up with the Court of Appeals to figure out the procedure for such a withdrawal of the corrected Record.

How can this be filed when Appellant just filed an amended initial brief and Respondents brief and amended designation has not been filed ? You need to withdraw this.
