Re: Kevin Greene, as Attorney in Fact for and on behalf of Eleanor Greene Wragg v. Palmetto Prince George Operating, LLC d/b/a Prince George Healthcare Center, et al.
Case No: 2019CP2200961
Appellate Case No. 2020-001167

Dear Ms. Kitchings:

On behalf of Respondent, and pursuant to Rule 263(b), SCACR, I hereby respectfully request a 30-day extension of time to file/serve the Response to the Initial Brief of Appellants in the above-referenced matter.

The present deadline is December 18, 2020 and I would ask the Court hold this deadline in abeyance until it acts upon this request. This request is made of recent illness keeping me away from the office as well as other work-related commitments, and I believe it to be consistent with the interests of justice and not unduly prejudicial. By my calculations, with the requested extension, the Response to the Initial Brief of Appellants will be due on or after January 18, 2021.

Of course, if you have any questions or concerns, or if a formal motion is required for the Court to consider the requested extension, please just let me know. Thank you for your kind attention to this matter. I am and will remain
