Dear Mr. Johnson:

I have received your request for the Transcript of Record in the above-referenced case on the date of October 18, 2017. Such transcript cost \$4.25 per page. I have checked my records and have estimated that this record is approximately 37 pages for an e-mailed PDF transcript for a total cost of \$157.25.

Pursuant to Rule 607, the total amount indicated above is due for the transcript you have requested. Upon receipt of the amount due, certified check or money order (no personal checks) made out to Natalie Dahl and sent to P.O. Box 762, Conway, SC 29526, your transcript request will be placed in line for production. Please also include the case name and date for which this money is to be applied for as I get multiple requests and monies on a daily basis. If, at the time of delivery, there is a difference in the quoted total amount due, the remaining balance due or to be refunded will be settled. Under the South Carolina Court Rules, a court reporter has 60 days from the date of request to complete the transcript. In this instance, the 60 day period will be determined based on the date the total amount due has been received. However, due to my workload, I estimate I can have this closer to 14 business days from receipt of payment.

If you have any questions, please don't hesitate to contact me.

Sincerely,  
Natalie Dahl, RPR
