MOTION FOR EXTENSION TO FILE RESPONDENT'S INITIAL BRIEF

Respondent South Carolina Department of Health and Environmental Control hereby moves for an extension of fifteen (15) days to file its initial Respondent's Brief and Designation of Matter to be Included into the Record on Appeal. The current deadline is January 4, 2021. If granted, the requested extension would extend the deadline until January 19, 2021. Counsel for Appellants Trident Medical Center, LLC and Walterboro Community Hospital, Inc. and Respondent Medical University Hospital Authority have consented to this Extension.

The grounds for the Motion are that the undersigned counsel have other commitments during the next weeks that require attention and that the additional time would allow the Department to more fully respond to the Appellant's Brief. Moreover, due to the length and complexity of the record in this matter, the important issues it presents, and the impending holidays, an extension is appropriate and reasonable.

Respectfully submitted,
