RE: John Garvin v. State, Case No. 2020-001418, Ordering of PCR Transcript that was heard on July 19, and July 31, 2019.

Dear Ms. Burk,

On December 17, 2020, you placed an Order for the transcript of a Motion hearing that was heard on February 21, 2018 before the Hon. Michael G. Nettles, Presiding Judge. I would like to know why didn't you also place an Order for my PCR transcript. For I did have a PCR hearing on July 19 and July 31, 2019, before Presiding Judge, J. Derham Cole, and would like to appeal his Order denying my PCR application.

Please explain to me why aren't you also ordering my PCR transcript that was held before Presiding Judge, J. Derham Cole, on July 19, and July 31, 2019. Is Appellant Defense appealing the issues that I presented before that Court and was denied or is Appellant Defense trying to purposely waive the issues that I present to that Court.

cc: Hon. Daniel E. Shearouse, Clerk
Johnny E. James, Jr., Asst. Atty. Gen.

Respectfully,
John Garvin
