Re: Marcus Wright v. State of South Carolina, 2020-001265

Dear Ms. Elvis,

I represent Marcus Wright in the appeal of the above captioned PCR case (2017-CP-26-02564). I have attached my letter of representation filed with the supreme court for your reference. I am about to file the petition for writ of certiorari and appendix in the supreme court and need to include copies of the five exhibits from the PCR that should be in your custody. The transcript indicates that the five exhibits were marked and introduced as indicated below. I need to obtain copies of these to include in the Appendix. If you could mail or email me copies and let me know the cost I will forward you a check.

I emailed the same request on December 30, 2020 but have not hear back on that request nor received the requested copies. It was my understanding that your evidence custodian would be out Monday of this week. Tomorrow is the deadline for the petition and appendix and I can not file without the requested copies. I have requested a twenty day extension in which to file and serve the petition and appendix in this case to allow you time to forward me copies of the requested exhibits. You may mail or email the copies to me. Please let me know if you need anything further from me as time is of the essence and I would like to obtain these copies as soon as possible. I appreciate your help.
