SC Court of Appeals

Dear Ms. Kitchings:

By letter dated April 10, 2012, I advised the Clerk's Office and the Office of Court Administration that Appellants had requested the transcript of a hearing in circuit court on November 23, 2010, which was necessary to this appeal. I also advised that Appellants were in already in possession of two other necessary transcripts: one for a hearing on July 26, 2010; the other for a hearing on November 21, 2011.

I am writing to advise that as of today, April 25, 2012, Appellants have received the November 23, 2010 transcript, and therefore, that Appellants are now in possession of each hearing transcript necessary for this appeal. It is our understanding that, based on the applicable Appellate Court Rules and a telephone discussion with the appellate court case manager assigned to this case, Appellants' Initial Brief and Designation of Matter to be Included in the Record on Appeal must be filed within thirty days after today's date, which is May 25, 2012. If our understanding is incorrect, please let us know as soon as practicable.

Please take notice that we have copied the Office of Court Administration and all counsel of record on this correspondence. By letter dated April 6, 2012, George Beighley, who represented Dr. Woolfson in the underlying medical malpractice case, requested to have his

name removed from the list of attorneys in this case. We understand Dr. Woolfson and Mr. Beighley have no interest in this appeal, since the malpractice claim against Dr. Woolfson has been resolved. We are copying Mr. Beighley out of an abundance of caution with this correspondence, though we do not wish to further burden him with correspondence in this matter. Therefore, we would appreciate your confirming that we no longer need to copy him with filings or correspondence.

Sincerely yours,

GALLIVAN, WHITE & BOYD, P.A.
