Kat,

I have no objection to your requesting permission to file the extension request out of time.

Taylor – I neglected to calendar the due date for the return when you filed your cert petition in the above case. As a result, I failed to file a timely request for an extension of time on January 4, 2021. Would you be able to consent to my request to file the extension request out of time? I appreciate any consideration you can give to this matter.

Kat Hudgins
