***Case Caption: Philenza Pritchett v. State of South Carolina
Filed Date: September 18, 2020
Lower Case No.: 2018-CP-07-0237***

Mr. Shearouse,

Thank you for granting my previous extension request regarding the client above-referenced. Since that time, Mr. Pritchett received the affidavit of indigency from the South Carolina Commission on Indigent Defense, and despite repeated and exhaustive efforts, no one at Trenton Correctional Facility (where he is currently incarcerated) would assist him in notarizing his affidavit.

I have spoken with Della White, with whom I have copied on this correspondence, and I am reaching out to the legal department at Trenton Correctional Facility in order to hopefully remedy this problem, but I unfortunately am in the position of having to ask of you for another extension of twenty (20) days so that we may get Mr. Pritchett's affidavit notarized so he may proceed with his appeal with the SCCID as his counsel.

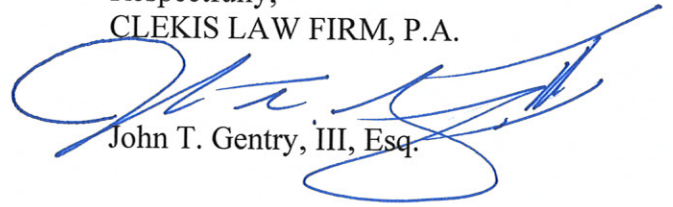

I have copied Della White with the South Carolina Commission on Indigent Defense on this correspondence, as well as opposing counsel.

Please let me know immediately should you have any questions or concerns and I apologize for the delay.

With kind regards, I remain.

Respectfully,
