Re: The State v. Marquez D. Glenn  
Appellate Case No. 2020-001122

Dear Ms. Kitchings:

It is the State's understanding the Initial Brief of Respondent and Designation of Matter in the above appeal are due to be served and filed today, January 13, 2021. However, due to a heavy workload, I am requesting a 30-day extension to serve and file these documents. This is a first extension request, and it is not intended for the purpose of delay.

I appreciate your consideration of this request, and ask that the filing deadlines be held in abeyance while this request is pending. By copy of this letter sent to the email provided by the Attorney Information Service for Appellant's counsel of record, Christopher T. Brumback, I am advising Appellant of this extension request.

Sincerely,

William M. Blich, Jr.  
Senior Assistant Deputy Attorney General
