Re: GEICO v. Barbara Jackson, et al, Appellate No. 2020-000249 – Withdrawal of Respondent’s Motion to Dismiss Appeal

Dear Ms. Kitchings:

Our firm is counsel for Respondent, Government Employees Insurance Company (“GEICO”), in the above-referenced matter. Yesterday we filed a Motion to Dismiss the Appeal. The Motion was based on a mistaken belief that the trial transcript had not been ordered. The Court Docket only reflected a post-trial hearing transcript having been ordered, and Respondent was informed by the Circuit Court DCRP that the trial transcript had not yet been requested or transcribed. However, Respondent’s counsel was later informed that trial transcript had been ordered and given the name of the appropriate court reporter. Therefore, Respondent now requests that its prior Motion to Dismiss the Appeal be withdrawn. If you require a formal motion to withdraw, please let me know. Thank you for your time and assistance.

Sincerely yours,

  
J.R. Murphy
