Tyler, we have resolved this case but I wanted to check on something for my own education:

The Order Denying the Petition for Rehearing (as it was considered by the Appellate Court) was filed and served on December 17<sup>th</sup>, 2020. I filed a Motion to Reinstate, but it was considered a Petition for Rehearing by the court and they issued an order Denying a Motion for Rehearing.

Wouldn't I normally have 30 days after the petition for rehearing or reinstatement is finally decided to petition for a writ of cert? I'm looking at Rule 242(c).

I was not expecting the remittur until January 18<sup>th</sup>.

Thanks!
