Mr. Clark:

I am writing to follow up from the e-mail correspondence and letter our firm received from the Court on November 23, 2020, in this matter setting the brief deadline for the Appellant and acknowledging receipt of the transcript.

Based on that letter, our understanding is that the Appellant's brief deadline was December 23, 2020. We have not been served with a brief yet and we want to make sure we have not missed any filings and corresponding deadlines. If the brief has been filed with the Court, could you please advise us if we have an upcoming brief deadline and provide us with a copy of the brief via e-mail?

Also, we have requested but not received a copy of the transcript from the Appellant. Could the Court also provide us with a copy of the transcript via e-mail?

Thank you very much for your assistance.

With kind regards,

Sarah D. Wendell
