Dear Clerk

To whom this may concern My name is Pedro A. Torres Shaw, I'm a inmate at the Broad River Correctional Institution. I have been having a problem getting my legal mail out to the clerks office. I have told staff that I have a dead line and it is urgent but no one seems to care. I don't know what the issue is there are people going on Medical runs often everyday. I think legal matter should be view with the same importance as medical ones. Please help aid this issue. My dead line for turning in my Pro Se Anders Brief is January 13th it is the 7th, Jan 2021. I have been trying since the 5th.

Truly Yours

Pedro Torres Shaw
