Re: In the Matter of Kevin Wright, 2020-1551

Dear Clerk:

I was appointed to represent Mr Wright with his SVP annual review hearing before Judge McCoy. Mr Wright is indigent and I have a contract with the South Carolina Commission for Indigent Defense to represent SVP respondents in the 9th Circuit.

As a general rule, the Commission for Indigent Defense does not provide representation for appeals following an annual review hearing. I ask that this Court appoint me to represent Mr Wright in this matter. The issues Mr Wright will raise in this appeal are meritorious, and are similar to those I raised for Craig Carroll in Appellate Case 2020-0697, which is currently before this court.

If the court is not inclined to appoint me in this case, I ask that the court appoint substitute counsel for Mr Wright.

Sincerely, Yours

James Falk
