## MOTION

Petitioner Motions the court to allow her to proceed without prepayment and fess.

Petitioner was notified on the 23<sup>rd</sup> of December 2020, by mail that her dwelling would be sold on January 5<sup>th</sup>,2021. Petitioner was traveling to visit her 5 gran children for the holiday's.

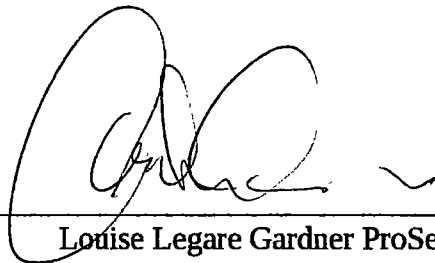

Petitioner had been told by the Clerk of Court of Jasper County that she would be notified by certified mail of the hearing date. You can probably imagine how I felt to receive this type of news during the holiday's when I am traveling away from my home;

The cost of the travel and the holiday expenses plus having all my monthly expenses paid on the second of January has been a lot all at ounce

My present employer has been stranded in the Philippines due to the Pandemic. Therefore my hrs have been much less, and being in entertainment for wedding and for ballroom dancing events much of much of it has been altered due to the COVID19 mess.

I pray this Court be understanding.

Sincerely,

---
