Ms. Spires,

I hope this email finds you well.

With this request, we asked for the transcript of jury selection. It does not seem the full jury selection was transcribed. Specifically, I am interested in the text from when the jurors individually stand up and introduce themselves, indicating where they work and marital status. Do you have that to transcribe? It looks like the transcript we have picks up with particular questions about jury qualification. I think the roll call info would have been before that.

Thanks for your help!

Regards,
Ginny Williams
