Ms. V. Claire Allen

I'm writing you to  
 find out why is it  
 taking almost 8 mths  
 to review the supple-  
 mental appendix and  
 the 2nd petition??  
 After all my case has  
 been to the Supreme  
 Court twice as well  
 as the Court of Appeals  
 also. Seeing as how I  
 was told by Ms. Hackett  
 that she asked the  
 court for an extension  
 for the month of  
 August wouldn't that  
 put my case into default  
 if ?? Ms Allen I'm

At a high risk with  
this Cov19-19 for my  
age and health conditions.  
I've done 6 yrs in  
prison for absolutely  
nothing please don't let  
my life end back here  
The petition clearly states  
that my sentence and  
convictions should have  
been vacated... If  
there's something that can  
be done in your position  
to aid and assist to getting  
me home will you please  
do that for me and my  
family. I'm begging you  
to please let me go home  
this time nothing illegal

I do understand that my case is being processed in the normal fashion? I've been going thru this same situation for the 4<sup>th</sup> time?? the petition clearly states that my case should have been vacated long ago. Isn't the appeal process over by now?? After 6 yrs? I'm now at Kershaw and this Court is on this yard please get me outta here I've been tested
