S.C. SUPREME COURT

Good morning, Mrs. Shealy.

Please find attached: (1) Motion for Pro Hac Vice Admission of Christopher Roberts; (2) Cover Letter and Application for Pro Hac Vice Admission completed by Mr. Roberts; and (3) Proof of Service.

As indicated in his cover letter, Mr. Roberts previously submitted the application and paid the fee on January 11, but part of the application was copy instead of original. He overnighted this corrected application yesterday, and the Court should receive it today. Due to the Court's 48-hour quarantine of papers, I understand the Office of Bar Admissions will likely not review the original until Monday.

As you know, my office previously submitted a \$100 check to cover both the previously filed motion for leave to file our amicus brief and this motion for Mr. Roberts's pro hac vice admission.

Please let me know if there is anything else that the Court would like for us to do. My cell is the best way to reach me if you need anything: (843) 270-1665.

Thank you,
Reynolds
