SC Court of Appeals

Re: Terrance "Terry" Carroll v. Debra Mowery
Appellate Case No. 2020-000396
C.A. No. 2018-CP-39-00585

DOCUMENT REQUEST FOR APPEAL

Dear Mr. Welborn,

I represent Terrance Carroll in the above captioned appeal in the court of appeals. I am required to obtain copies of the exhibits designated by each party for inclusion in the record on appeal. Any exhibits that can not be reproduced on a standard photocopy will require an order of transport issued by the court of appeals. I have enclosed copies of the designations of matter from both parties to the appeal. The designations of matter indicate the matters in the record and exhibits that I must obtain. If you could please make a copy of these items and either email them to me or if they are too large to mail, call me and I'll come and pick them up. I would prefer to have them in an electronic format if possible as I am going to have to scan any paper and turn it all into an electronic file anyway. I will pay the associated copy fee. If you will let me know what that is I'll bring a check with me when I pick them up or mail it if I am so lucky as to receive the files electronically. If you have any questions please call me. As always, I appreciate your assistance.

Sincerely,
s/J. Falkner Wilkes
