CONSENT MOTION TO AMEND FINAL BRIEFS AND RECORD ON APPEAL

Appellant, with the consent of the Respondent, moves this Court to grant him leave to file amended final briefs and an amended record on appeal. Appellant would show the following in support of his motion:

1. Appellant’s counsel changed firms on July 31, 2020. The requested amendments are non-substantive and consist only of updates to Appellant’s counsel’s firm information.

2. By letter dated October 29, 2020, the Clerk of Court’s office informed Appellant’s counsel that he must make a motion to amend his briefs in order for the Court’s opinion to reflect his change in firm.

3. By letter dated January 29, 2021, the Clerk of Court's office requested the parties provide an additional bound copy of the final briefs and record on appeal.

In order to meet the requirements of the Clerk's request and ensure that the final opinion in this matter will accurately reflect Appellant's counsel's firm information, Appellant requests he be given leave to file one unbound and bound copy of amended final briefs and record on appeal. The only amendments to these documents will be a change to Appellant's counsel's employment information.

Appellant would further request the Clerk's ten day deadline to provide bound copies be held in abeyance while this motion is considered.
