RE: Dennis Robert Mitton v. Danny James
Appellate Case No. 2020-000815
NMRS File No. 064290.01500

Dear Ms. Kitchings:

Appellant respectfully requests an additional ten (10) day extension of time to file his initial reply brief and, if necessary, any supplemental designation of matter. Counsel for Respondent has consented to this request.

Respondent's initial brief and designation of matter were filed and served on January 15, 2021. Appellant previously requested and received one ten (10) day extension of his reply deadline, placing Appellant's current deadline at February 4, 2021.

This is Appellant's second request for an extension of these deadlines. The request is premised on numerous other deadlines, work obligations, and upcoming hearings in other matters. If the Court grants this extension, the new deadline for Appellant's initial reply brief and any supplemental designation of matter will be February 15, 2021.

Pursuant to Administrative Order 2020-05-29-02, no filing fee is required for this request.

Sincerely,

Blake T. Williams
