APPEAL FROM LEXINGTON COUNTY
Court of Common Pleas

Honorable William A. McKinnon, Circuit Court Judge

Appellate Case No. 2020-000770

Jada Garris,.....Respondent,

v.

Lexington County School District One,..... Appellant.

MOTION FOR EXTENSION OF TIME TO SERVE AND FILE RESPONDENT'S
FINAL BRIEF

Respondent hereby moves pursuant to Rule 263(b), SCACR, for a seven-day extension of the time in which to serve and file the Respondent's final brief in this appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. Respondent's final brief is presently due today, February 1, 2021.
2. After its service, the record on appeal in this case had to be revised to include some omitted matter. That delayed preparation of the final brief.
3. Further, the undersigned has a number of deadlines that must be met today, which has prevented him from completing the final brief today.

4. Respondent seeks a very short extension to get the final brief finished and filed.
5. Appellant's counsel has advised that he consents to an extension of this deadline.
6. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Respondent prays for an order extending the time in which to serve and file the Respondent's initial brief and designation of matter to be included in the record on appeal by seven days, to February 8, 2021.

Respectfully submitted,
