RE: Wanda McClendon v Brenda Bridges

Appellate Case No: 2020-001305

RECEIVED

SC Court of Appeals

Dear Counsel;

I request your immediate intervention to stop a further action from the lower court. Judge Charles B. Simmon Jr has plans to move forward without your help to sell my properties. The whole reason I am at the court of Appeals is to keep my property. I never wanted sold. I pray upon your help. Without I lose my property. The loss means I have let my disabled kids down. Let my self down. Broke a promise I made to my dying daddy hours before his death with asbestos lung cancer. He spoke to my then 8yr old son. Where he told his only grand son. That mom would have to make sure he got the 4.8 A.E. He said AJ papa sorry he didnt get to the lawyer and make it legit. He said Wanda promise me you will make sure AJ gets this. I promised him I would. For 17yrs I have been trying to do this. please help me to be able to do this. They have no one but me. I fight for my Autistic Kids. May God Bless you
