Ms. Kitchings,

My co-counsel Mike Rose and I do not have any conflicts with those dates in June.

I would respectfully request, once again, that if the oral arguments go forward that they do so by way of videoconference due to the pandemic. I doubt that a vaccination would be available even by that time for someone like me who is not in a priority group, I have been very careful to avoid indoor spaces and large gatherings for the last year, and I would request that the court hold this argument remotely if possible.

Best regards,

Andy
