v.

Matthew Jamison, Appellant

Appellate Case No. 2018-002034

The Honorable L. Casey Manning
Richland County

Rehearing, Motion to Reinstate
the appeal, Summary

(

An order of dismissal was filed 1-28-2021 base on failing to file initial brief with correct proof of service and a designation of matter base on Rule 208 of SC Appellate Court Rules. Appellant point out that Rule 208 was only violated by the Respondent for failure to file 30 days after service of appellants brief

Appellant assert the Rehearing / Motion to reinstate the appeal / Summary, should be granted because he can establish he did everything of his understanding to file his initial brief including askin for help.

(

Appellant sent out amendment of sign proof of service on 9-24-2019 see attach copy along with United State Mail Postage receipt.

Appellant attached exhibits to his brief to be included in the record on appeal not knowin it has to be head line Designation of matter. So after receiving letter from SC Court Of Appeals statin brief was not accompanied by designation of matter and talkin to someone at the SC Court of Appeal, appellant sent out a list with the heading Designation of matter to be amended on 10-02-2019

(

along with a letter explain in askin for help see attach copys along with United State Mail Postage receipt.

Conclusion

Appellant is not a lawyer and should not be held in standard of one after askin to be appointed a lawyer in doin everthing in the best of his understanding, Rehearing / Motion to reinstate the appeal should be granted so SC Court of Appeals can address a novel issue and remedies. Foremost Summary should be granted with relief for Appellant is entitled to prevail as a matter of law because of Respondent failure to file

V.

Matthew Jamison

Appellant

Appellant will like to point out he is not a lawyer, I in hope he won't be held in standard as one. He accompanied the initial brief designation of matter under Exhibits on page with table of contents.

Because of appellant lack of law, he will like to ask the court if he could be appointed a lawyer to help him. His family did all they could to obtain Tommy Thomas in June 2016. Who did not make the argument that was available to him for over two years before the hearing, when it was all his. Ideal he was obtained for a pardon then he argued the issue in his proposed order instead of the hearing.

Designation of Matters

1. Orders for motion for credits
 2. S.C. Court of Appeal. Order addin Condition
 3. Conditions and proof of completing probation
 4. S.C. Supreme Court order granting Appeal Bond
 5. PCR order
-

6. S.C. Court of Appeal from PCR
