Re: Robert Ardis v. SCDEW
Appellate Case No. 2020-000981

Dear Mr. Ardis:

Upon reviewing your appellant's initial brief, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The initial brief is not accompanied by a designation of matter to be included in the record on appeal.
- The content of your initial brief is not in compliance with Rule 208, SCACR. The appellant's brief shall contain under appropriate headings and in the order here indicated: 1) Table of Contents and Cases, 2) Statement of Issues on Appeal, 3) Statement of the Case, 4) Standard of Review, 5) Argument, and 6) Conclusion.
- No exhibits shall be attached to the initial briefs. Your documents are being returned to you. They appear as if they should be listed in the designation of matter and included in the record on appeal. No documents are to accompany a designation of matter, only listed, but included in the record on appeal when it is to be served and filed.

Very truly yours,

V. Claire Allen

CLERK
