APPEAL FROM RICHLAND COUNTY  
Court of Common Pleas  
Thomas A. Russo, Circuit Judge

Appellate Case No. 2020-000056

Sterling Hills Homeowners Association,.....Respondent,

v.

Elliot Hayes,.....Appellant.

MOTION FOR EXTENSION OF TIME TO SERVE AND FILE INITIAL BRIEF  
AND DESIGNATION OF MATTER TO BE INCLUDED IN RECORD ON  
APPEAL

Appellant hereby moves pursuant to Rule 263(b), SCACR, for a one-week extension of the time in which to serve and file the Appellant's initial brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. Appellant's brief and designation of matter are presently due today, February 9, 2021.
2. Appellant's counsel has come down with some sort of stomach ailment today, and dealing with that has taken time away from completing the brief. He fears that it is not realistic under these circumstances for him to have the brief completed today.
3. Appellant needs only a short extension to complete the brief, and he does not ask for a long one.

4. Absent a medical or other physical emergency, Appellant will not seek any further extension of this deadline.
5. Appellant believes there is good cause to grant the requested extension.
6. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellant prays for an order extending the time in which to serve and file the Appellant's initial brief and designation of matter to be included in the record on appeal by one week.

Respectfully submitted,

/s/ Andrew S. Radeker
