I tried to backtrack using the Priority Mail receipt from 10/23/20, but that didn't provide any useful information. I'm printing you a new sealed original and hardcopy. This sealed original will have "original" stamped on the cover page. If the first sealed original shows up later, you can open it and handle it as an additional hardcopy. The first sealed original did not have "original" stamped on it. I'll try to get that in the mail today (Priority Mail). Let me know if you need anything else.

Deborah,

Good afternoon. I haven't been able to locate the original and my hardcopy of this transcript. Would you mind checking your records to see if they were sent? If they weren't, please send them. If they were and I've misplaced them, please send replacements and another invoice.

Thanks,

Ben
