**RE: *David Casey v. Aptim Federal Services***  
**Appellate Case No.: 2020-001474**

Dear Honorable Kitchings:

Please allow this letter to serve as a formal motion for a sixty (60) day extension in the above-referenced matter. The Respondent's Initial Brief and Designation of Matter is currently due on March 1<sup>st</sup>, 2021. Therefore, if the extension is granted, the Respondent's Initial Brief & Designation of Matter would be due on April 30<sup>th</sup>, 2021. I have enclosed the filing fee of \$50.00 for the same. This request is based on an increased workload that we are experiencing at this time as well as medical treatment I underwent last week that kept me out of work several days.

I have consulted with Appellants, and they have stated there is no objection to this request.

Sincerely,

Richard C. Alexander  
Attorney at Law
