MOTION FOR EXTENSION OF TIME TO SERVE AND FILE INITIAL BRIEF AND DESIGNATION OF MATTER TO BE INCLUDED IN RECORD ON APPEAL

---

Appellants-Respondents hereby move pursuant to Rule 263(b), SCACR, for a 30-day extension of the time in which to serve and file their initial appellants' brief and designation of matter to be included in the record on appeal. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. Appellants-Respondents received the transcript involved in this appeal on January 21, 2021, making their initial appellants' brief and designation of matter

due on Monday, February 22, 2021. If this request for an extension is granted, this initial brief and designation of matter to be included in the record on appeal will be due on March 24, 2021.

2. This is the first extension sought of this deadline.
3. The undersigned counsel has had a heavy writing schedule lately, along with recent and upcoming court appearances and writing deadlines. This has interfered with his ability to spend the time needed to review the record and draft the brief.
4. Counsel for the other parties to this appeal have advised that they do not oppose the extension sought.
5. Appellants-Respondents believe there is good cause to grant the requested extension.
6. The undersigned has served this document on opposing counsel by email to registered AIS email address on the date given below.

WHEREFORE Appellants-Respondents pray for an order extending the time in which to serve and file their initial appellant's brief and designation of matter to be included in the record on appeal by 30 days, to March 24, 2021.

Respectfully submitted,
