Appellant

February 24, 2021

Appellant, Nelson L. Bruce, hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of time from the current deadline in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for service and filing of Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal is currently March 3, 2021.
2. This is the first extension that Appellant has sought in this appeal.
3. During the past 3 weeks, appellant has been addressing a total of 3 different cases including correspondence's from and to the IRS which he has just completed and addressing the U.S. Supreme Court case as of the February 19, 2021 which has necessitated time being spent on those cases and IRS correspondences, in addition to his everyday necessities to maintain life and transportation issues that come about due to no fault of his own.
4. Appellant believes there is good cause to grant the requested 30-day extension to April 2, 2021.

WHEREFORE Appellant prays for an Order extending the time in which to serve and file Appellant's Initial Brief and Designation of Matter to be Included in the Record on Appeal for thirty (30) days from the current set deadline. Presented by depositing an original and 7 copies of the motion for extension of time to the court via U.S. Post office by U.S. Poster Service, postage prepaid, Priority Express Mail Tracking No.: EJ 556 045 219 US Dated this 24th day of February 2021.

RESPECTFULLY PRESENTED,
