Yup, a motion to supplement the record is fine with me. I'm not sure about using a star though, I don't think I've done that before in such situation. I'll support whatever you decide to do.

Good afternoon,

I am completing the final briefs in this matter, and it appears 5 pages (85-90) that were referenced in my brief were omitted from the designation of matter and record on appeal. I have never made this mistake before. I suppose I need to make a motion to correct the Record, and I would use star pages to avoid everyone needing to repaginate the final briefs. Do you consent?
