have any idea wh

ased. you people kid-

- ned my life right ou
of me. Why are you
people just holdin's

me against my will? Why is this appeal the only one to last this long. 5 1/2 years? I've got about 35 letters telling me the same things over and over about many variables and many different items that affects the decision of the court just went and you'll contact me and my lawyer asap when?? I shouldn't be here at all. Release me I've done nothing wrong. This should be the final time.

The final month atleast
to the 1st of march.
let me go home to
my family so I can
go back to work and
get on with my life
Damn, Its been 6 yrs

more extensions. It's
