Dear Counsel:

Attached please find correspondence from the Court of Appeals.

Please note that the Court received some of the faxed pages (roughly 400) of the record on appeal from Appellant's counsel. The record on appeal seems to be over 1000 pages and, therefore, needs to be in volumes. A volume cannot exceed 500 pages (250 pages front and back when printed) and include an index in each volume. Please resubmit the record on appeal through our OneDrive folder or mail an unbound originals copy. Instructions on how to access OneDrive were emailed earlier today from the Court of Appeals e-filing email address.

Please let me know if you have any questions or concerns.

Respectfully,

Sierra Ritchie
