Dewayne Lipscomb

The South Carolina Court of Appeals

Appellate Case No. 2020-001641

Motion to Present Grounds For Appeal

RECEIVED

MAR 04 2021

SC Court of Appeals

On or about the 1st of March 2021, the defendant Dewayne Lipscomb moves before the South Carolina Court of Appeals to put forth the grounds in which he bases his appeal on.

The arguable basis for the defendant's appeal are as follows:

- 1) The defendant's attorney Joshua Schultz failed to go over the discovery with the defendant.
- 2) The defendant's attorney promised the defendant that he would be given probation if he was willing to enter a guilty plea.
- 3) The defendant's attorney failed to put forth any defence in the defendant's behalf, therefore making the defendant part in the crime appear much more than was true.
- 4) The defendant's attorney pushed him into a guilty plea when the defendant clearly stated he wished to go to trial on the charges.
- 5) The defendant's attorney failed to do his basic duties and the defendant feels as though the attorney's actions caused such harsh sentence.

If it so please's the court the defendant ask
that the above stated grounds be entered into
the appellate case No. 2020-001641

also the defendant ask that this motion be time-stamped,
entered into the above stated case and a copy be forwarded
to all parties involved.
