Re: East Cherry Grove, LLC v. State of SC et al Appellate Case No. 2021-000078
Request for Extension as to State's Initial Brief and Designation

Dear Ms. Kitchings:

I respectfully request an extension of time of 30 days to serve and file the State's initial brief and designation of matter for the record. I believe that they are currently due on March 5, 2021. With the extension, these documents would be due on April 5. I am making this request because I have had multiple deadlines including two others next week. I have not previously requested an extension for this brief.

For the foregoing reasons, I respectfully request an extension to April 5. I respectfully request that the March 5 deadline be held in abeyance while this request is considered.

Respectfully submitted,

/s J. EMORY SMITH, JR.
