The State
v.

Respondent

Dominick Antonio Thompson

Appellant

Appeal Case # 2019-001034

"Statement of Issue of Appeal"

My defense Counsel fail to challenge the witnesses or never tried to impeach the witnesses credibility due to switching what they said in previous statement and due to they (the witnesses) telling multiply lies witch they admitted to doing so based on identifying me. (Rule 608 ~~Rule 601~~)

"Argument"

At trial Summer Hall testified that she identified me from Makayla facebook but never told the police p95.7-22, p96.1-25, p97.1-8.

Christine also state she identified through Makayla facebook p116.25 - p119.1-4. but Makayla state on p.177.6-11 that we wasn't friends on facebook. In a previous statement she that we never had contact on facebook but yet $\frac{1}{3}$ still this is how Summer & Christine say they identified me which is purge but my counsel to challenge the witness credibility. Also Christine state when the guys ran up on her & Makayla their hoodies wasn't pulled

and that you could see their faces, p. 110.9-13 but Makayla stated that p. 147.5-18 that they had on bandanas when her and Christine was approach; Which the different Identity.

1.) witnesses not impeached due to Credibility

2.) Eyewitness Identification

Clearly, Neither witness was honest, you can clearly see multiple lies which weaken the credibility of all three witnesses, Summer & Christine both never identified me until the day of my trial, never once they give the police information about nothing but 2 1/2 yrs later at my trial they testify it was me.

Makayla give multiple statements & different name & admitted to lying multiple times but her credibility wasn't questioned.

Based on the argument above, I feel to request that appellant's conviction & LWOP sentence be reversed and my case remand to the lower court for new trial.
